

Family Focus

A Families First funded service

Sessions for ages 12-25

A service for young people living in Neath Port Talbot affected by disability or have emerging needs/on the ND pathway.

When

Sessions will run weekly during term times. Each young person will receive 16 weeks of support.

Where

Wednesday - Briton Ferry

Friday - These sessions will be held in different venues across Neath Port Talbot and will be based on the needs of young people across the county living in different areas.

Areas we support

Support will be tailored to meet the needs of each individual young person, with the a 16 week programme having a focus on their wellbeing and individual goals.

Travel training

Travel training will be provided in groups and on a 1-1 basis. Young people will work together to plan 'out and about' sessions along with us supporting them to access clubs and activities within their local communities and surrounding areas.
